Education

B.Tech in Information Technology (AKTU) ABES Engineering College, Ghaziabad — CGPA: 8.4	2023–2027
Class 12th (CBSE) Dayawati Modi Academy, Modipur Rampur — 84.8%	2023
Class 10th (CBSE) Dayawati Modi Academy, Modipur Rampur — 94.6%	2021

Technical Skills

Frontend: HTML5, CSS3, JavaScript (ES6+), React.js, Tailwind CSS, Bootstrap
Backend: Node.js, Express.js, REST APIs, JWT Authentication
Database & Integrations: MongoDB, SQL, Firebase, MySQL, PDF Export Tools, Gemini API
Tools & Other: Git, GitHub, Postman, npm, VS Code, Responsive Design, NLP Basics, Data Visualization

Projects

ATSForge – ATS Resume Builder Web App	2024
- Built a dynamic ATS-friendly resume builder featuring multiple professional templates, real-time preview, and auto-formatting to generate machine-readable resumes compatible with applicant tracking systems. - Implemented secure JWT-based user account authentication, resume saving, and personalized dashboard management. - Developed customizable sections (experience, skills, education, projects), responsive UI, and PDF export logic for instant professional resume downloads.	
Faculty Feedback Automation – Web-Based Evaluation System	2025
- Built a secure web-based feedback management system enabling students to submit faculty evaluations while maintaining structured data storage and confidentiality. - Developed responsive frontend interfaces using HTML, CSS, and JavaScript with dynamic forms, validation, and smooth feedback submission workflows. - Created analytics dashboards to calculate ratings, generate reports, and present faculty-wise performance insights for decision-making.	
Health Assistant Chatbot (SIH Project) – Collaborative	2025
- Developed an AI-powered health chatbot using NLP techniques capable of answering medical queries with real-time symptom checking and intelligent response generation. - Built a clean and user-friendly chat interface ensuring smooth interaction with fast and relevant responses. - Designed backend response pipelines to process multiple symptom-based queries and improve user guidance accuracy.	

Certificates

Web Development for Beginners – Simplilearn SkillUp	Jan 2025
Problem Solving – HackerRank	Jun 2025
Python – HackerRank	Jun 2025

Achievements

Smart India Hackathon (SIH) 2024 — Participant Contributed to team-based problem solving and project development.
Kalakrit Music Club (Music Society) — Core Team Performed and assisted in managing stage events and cultural performances during college fests.
